

MADE & MAKE

Driade Evelyn Floor Lamp

Evelyn is a lamp that was initially developed with Driade in the late nineties for the Shore Club Hotel in Miami and was then redeveloped in 2015. Originally designed in three distinct but complementary versions: a floor lamp, a wall mounted lamp (an applique) and a ceiling mounted lamp. It was also produced in three bright shades of yellow, red and green; probably inspired by the Art Deco South Beach style.

PRODUCT SPECIFICATION

Designed by David Chipperfield

Material: Stem and base in anodised aluminium, shade in green anodised aluminium

Dimensions: 450 x 270 x ht. 1450 mm
