Tacchini Jacket Lounge chair

Clearly inspired by the world of fashion and finely-built with an almost "œsartorial" eye for details, Jacket armchair comes in a revised version insofar as design and new colors with a metal frame characterized by slim and supple outlines. The quilted fabric does not merely act as a cover, but becomes a soft and cozy body whose rounded edges recall the elegance of a jacket lapel. Two soft cushions add to the general feel of all-round comfort and relaxation.
